You have signed up to attend the License Plate reader and/or facial recognition training on June 18 and June 19, 2019. You do not yet have an account in LEARN. This training will be interactive and you need to have your account activated prior to class starting.

Please use the Register tab on
<https://learn-nvls.com/learn/gui/index.aspx>
<<https://learn-nvls.com/learn/gui/index.aspx>> and self-register for an account. Be sure to use your city e-mail address using the .mail.ci.lubbock.tx.us form. The ORI is TX 1520200.

You need to bring a tablet or laptop to class. It is a good idea to bring a smart phone that you want to download the mobile app onto. You may bring your personal computer since there will not be anything downloaded on it.

If you have trouble signing into LEARN, please contact me.

I will also be sending text messages to remind you.
